

Ordering a new Salary Packaging Card

You can access your pre-tax funds to pay for Living Expenses and Entertainment Expenses via a single payment card. This makes paying for everyday items simple and convenient. Order a new card online in seconds and nominate exactly how much you want allocated to each benefit every pay.

Ordering a new Salary Packaging Card

To access the full suite of online card functionality, login to the Eziway website (eziway.net.au) using your email and password.

1. From the left hand menu hover over the 'Card Services' Icon (See Below).

2. Select 'eziway SalPac Card Application'.

3. On the screen that follows, read over your personal details to ensure the information is correct. Where something is incorrect, change it on the application screen.
4. Select the benefit account(s) you are applying for and enter the amount you would like to package under each benefit account in the relevant field.
5. Confirm your personal details by ticking the confirmation box.
6. Complete the 'Additional Card Holder Details' section if you are ordering a secondary card for your spouse or partner.
7. After reading the terms and conditions, tick the 'I, Accept' box including the date fields. If you are ordering a second card, the secondary cardholder will need to complete this also.
8. To complete your application, select 'Submit Application'. You will then receive a confirmation email containing all required information.
