

Meal Entertainment Card

The Meal Entertainment Card allows you to package the cost of dine-in meals and accommodation above the cap to extend your tax savings further. With our Card you don't need to keep receipts, forms aren't required and payments are only accepted at compliant merchants.

Meal Entertainment Card

Meal Entertainment and Accommodation expenses can be packaged above your standard cap and up to a maximum of \$2,649 per FBT year (1 Apr–31 Mar):

- Public Hospital cap: \$9,010 + \$2,649 EB
- Charities & PBI cap: \$15,900 + \$2,649 EB

Conveniently claim this benefit

A Meal Entertainment Card is the most convenient way to claim meal and accommodation costs. The card is ATO compliant and funds are pre-approved for spending at eligible facilities. If you already have an Eziway Salary Packaging Card for your Capped Living Expenses Benefit, a Meal Entertainment account can be linked to the same card.

Funds accumulate on the card until they are expensed. Eziway recommends funds on the card are expensed prior to the end of each FBT period (31 March) in order to optimise your annual benefit. Pre-tax funds rolled over into the subsequent FBT period are deducted from the annual caps for the new FBT period.

Using your card

The Meal Entertainment account can only be used where the merchant ID identifies the vendor as a dining or accommodation facility. If the merchant type is not a suitable dining/ accommodation facility, or there are insufficient funds, the transaction will be declined or charged to your Living Expenses benefit account if you have one.

You can make contactless transactions for purchases under \$200.

If you need to insert or swipe your card into the merchant terminal select the "Credit" option followed by your PIN.

Lost or stolen cards can be reported to Eziway via the online portal or the MyEziwayAccount app.

It's important to note...

Your card is allocated a temporary PIN by the card issuer. To select your PIN, login to the Eziway Website Portal or app, using your employee access. Please note, you will need a valid email address to complete this process. Also:

- you cannot withdraw cash using the card
- your card will be cancelled when your salary packaging terminates
- you cannot transfer funds between your card accounts and/or other bank accounts
- there is a once off card issue fee of \$8.80 and a fortnightly fee of \$1.94 thereafter.
- the card can only be used for entertainment benefits. Please refer to the 'What are Entertainment Benefits' FAQ.

Monitor your card balance

The MyEziwayAccount app shows real time balances for each benefit account on your card, so you can check your balances, or check you've been paid 24/7. Alternatively, you can login to your Employee portal online to check your balances there.
