

Eziway's one-card solution

Eziway's all-in-one Salary Packaging Card allows employees to access pre-tax funds for Living Expenses and Entertainment Benefits at the point of sale, enhancing convenience.

- Only carry one card to pay for both expenses
- Make contactless and/or PIN transactions at eftpos terminals
- There is no need to hold and submit evidence of expenses for reimbursement
- All successful transactions are deemed automatically compliant
- The card is ATO approved

When you complete a transaction, the vendor's merchant code automatically directs the charge to the correct account. You don't need to specify an account, and you can check live card balances at the point of sale using The Eziway App.

Order Your All-in-One Salary Packaging Card

You can easily order your all-in-one Salary Packaging Card through The Eziway App or by giving us a call, and we'll take care of it for you.

- Add both the Living Expenses Benefit and the Entertainment Benefit to your packaging arrangement, and we will create accounts for each.
- Your card will be automatically linked to these accounts.

When setting up your accounts, specify the pre-tax funds you would like loaded each pay period, in line with your cap limit. Funds will accumulate until they are used.

Important Note: Be sure to use your card funds before the end of each FBT period (March 31), as any remaining legacy funds will roll over into the next FBT period and will count against that year's annual cap.

What you need to know
